Subject: Where in the hell is Chuck Duffy?
Posted by info on Fri, 06 Jan 2006 05:07:34 GMT

I know chuck lurks around here waxing poetic about PARIS or some other outdated
piece of software.
Anyway, where is Chuck ? he doesn't owe me money, or software or DVDs or
anything (although that seems to be a popular gripe on this board past two
years)
Anyway, Chuckles, come up for air andlet me know what is up.

Your pal in Scranton

I'm sure Chuckles will get him !   hahaha Yeah Chuckie baby, drop by
and chat.

chip is often a name adopted by people name charles so...the amazing
chipster where for art thou...your peasants await your word.   john
made me do this....sorry.
