Those kids could never be in the same band. The drummer plays with too much feeling :-) OMG!

He can play Chick Webb in the movie, about the right size. He may have to tone his skills down a bit though. That kid is going to be President one day.

Very tasty playing. And smart enough to be wearing ear protectors.

Cheers

I agree. This kid is a natural human being.....the other kid seemed more machine-like..but hey, he's still just a kid. Still, I remember when Charlie Sexton was burning it up back in the late 70's. Little guy, big talent, big chops, but with finesse.

;o)
