I'm not sure about that - their website has been like that for 6 months or so. I emailed them back in October, and got a generic, vague response like "check back with us soon". ?? Maybe some more people need to email them and ask for it. ?

He's come back to save us, I knew it. Man I miss the good old days.

will be your good old days.

Neil, aren't those lyrics to an "old" song. Seriously man I hear you and I attempt to be present in the moment, at every moment. I discovered a long time ago that we have plenty of time to be dead, but youth is definitely wasted on the young. Yup, "these are the good old days" :-)

Are you thinking of one of the lines from "Anticipation" (Carly Simon)? She sings something like: "so stay right here, 'cause these are the good old days".

I wasn't thinking of that at the time, just pointing out that any given person's best days aren't necessarily behind them - whether that statement comes from a life point of view or a DAW point of view lol.

I guess I was trying to make a DAWble entendre. :D
