I've retired from the business. Time to let my Paris rig go:

1 Mec, 8 in card, 8 out card.

1 Interface 442

2 Eds-1000 cards

1 Control 16 (mint)

All this stuff hasn't been used for several years. Last time I fired it up it all worked perfectly.

Like someone else said, make me some unreasonable offers and I'll probably take 'em...

cheers

ps. I'm in LA if anyone wants to pick up anything in person
