Subject: Re: ASIO DRIVER current status ? Posted by mikeaudet on Tue, 20 Feb 2018 15:54:39 GMT View Forum Message <> Reply to Message

So...I've been working on a few things...one of which is laying the groundwork for a new scherzo to support a 64 bit ASIO, but I took a bit of a detour and decided to see if I could clean up a couple of things in the 32 bit ASIO...and....

I got 32 sample buffer sizes working!!!
