Ok my friends...it's time:(
I may not have been the MOST frequent poster here, but thank You for
all assistance over the past 7 years...wow, thats a long time:)
I'm selling out - here we go:

3 MEC's (1 black, 2 blue)
3 C 16 (1 black, 2 blue)
4 EDS 1000 + cables for inter-connection.
3 A8oT-24 output cards
2 A8iT-24 Input cards
1 ADAT card
1 Alesis AI3

(2 of those MEC's have NEVER been used.)
Anyone? :)

I thought this is why we have a for sale group... I have witnessed others getting the "rough over" treatment for posting for sale stuff here. Just pointing out... be fair with everyone...
