## Subject: FS Pulsar I card with software and plugins
Posted by Dimitrios on Sun, 05 Nov 2006 10:03:26 GMT

If noone wants the Pulsar II card I can keep this and sell the Pulsar I with
the following software:

Pulsar Software
Scope Fusion Platform
Main Studiotools Package
Effects Package 1
Synthesizer Package 1
Synthesizer Package 2

STS-2000P

As soon as this card get registered you can download the Scope 4 version.

Selling for 250 $
Regards,
Dimitrios

Hey Dimitrios, if you're still selling give me a shout at

tcb at thadbrown dot com

and maybe we can work something out.
