gned to reverb return on =  
tracks.

>

If I could only wrap my head around all of this I'd be all set. The =  
first time you posted  
about Senderella and Chainer I used it for a while then my C drive =  
became useless. I'm  
still not sure why. I'm afraid to try it again now but that's just =  
me. I think if I can  
understand it clearly I'll be able to implement it more easily. =20

You are helping me with this explanation and it's appreciated =  
greatly.

Thanks for your effort once again,  
Tom

=20

Dimitrios, thanks for the effort to put this together. I'm adding =  
this to  
my &quot
