well not really.....hehe

Ten thousand flowers in spring  
the moon in autumn,  
a cool breeze in summer,  
snow in winter.  
If your mind isn't clouded by unnecessary things,  
this is the best season of your life.

Yes, please, de-cloud my mind. I don't wanna argue about politics and religion anymore. I just wanna argue about nice things, like music, or movies, or instruments, or even beer. :)

With nice things there is nothing to argue about. It is lies and created mystery that makes people argue.
