---

Did have someone a Manual for my e6400 Turbo Sampler. I have get one of those and like to use the Adat Output with my Adat Cards of Paris Rig.  
So it would be much easier, if i get a Manual !

Manual you can find here :  
[francisfisher.me.uk/emulegacy/EOS/](http://francisfisher.me.uk/emulegacy/EOS/)

Thx  
Dan
