  Dimitrios,
  I tried once to get mono reverb but couldn't get it
  to work. Do you have the method on paper?
  I'd like to be able to use that from time to time.

    Anyone knows or heard that there is any mod for having chorus on =
inserts ?
    I guess it is not hard to be done by someone somehow qualified to =
mess up
    with stock ini file...
    We have mono reverb and mono delay tap on inserts mods would be =
great to
    have a chorus on insert ...
