So what's the going rate for a....

EDS Card

8 In

8 Out

ADAT Card

Mec

C16

442

Just curious as I've been told less than \$75 for the cards and less than \$50 for the MEC and C 16

I assume you're referring to someone else? I don't recall quoting any prices.

As far as I know all the cards run around \$150, the MEC is a \$100 and the C-16 is \$50

If that's wrong then someone educate me

I've bought and sold....

EDS 1000 \$100-\$125

I/O & ADAT cards \$100 - \$125

MEC \$75

442 \$50

IF2 \$30

I've seen higher on Ebay but they don't sell.
