Subject: recommendations for good practice regimen Posted by chuck duffy on Wed, 06 Feb 2008 19:50:36 GMT View Forum Message <> Reply to Message

Hi All,

I know that there are some keyboard players in here. Does anyone have any recommendations for some books/materials with a good practive regimen. I do all the standard stuff, scales arpeggios, etc. I don't have a huge amount of time to practice, and I'm looking for the most effective exercises to increase speed, agility and accuracy.

Thanks Chuck
