Dirty as it seems to us citizens, that's the kind of maneuvering that a candidate better have to survive in DC and be able to execute coordinative efforts.... otherwise it'll be 4 years of gridlock in the fed.

What's most disappointing to me is that it's come to that over the years.

AA

That's not a dirty deal... that's a caucus - that's how they work (by the rules of a caucus, i mean).

Neil
