Got one... I think the i5 is even better. Fuller tone, IMO.
If I have time later, maybe I'll post an mp3 comparing the two
on the same guitar/amp setup.

Neill have read coments from some saying this mic sounds better than a 57 on
snare.

news:437a7fcd\$1@linux...

They are all good, but my faves are the current one (Time Well Wasted) =
and
the first one (Who Needs Pictures). My friend Randle Currie plays =
steel
for him, and says he is great to work for. I saw them last time =
through
here--lots of great playing and extended solos...

:)
