k up another c-16 pro if soomeone has one.....

email me admin at signworld dotcom

VernSoundcraft Ghost with Encore flight case (has doghouse)

This is an older (warm english pre's) Soundcraft Gost 32 with the midi in the center, meter bridge, and rack mount power supply (with cable). The Encore flight case has the doghouse and wheels.

Board is 51" x 31"

case is 57" x 43" x 15&

Closed the studio and need the room....just doing my own stuff as a hobby now....

Asking \$4000.00 for everything. Will consider partial trade for Great River Neve preamp, good input card(at least 2 inputs) for computer or 16 channell control surface that will work with Reaper.
