Once, Chuck Norris was hired as an agent for special assignment. He was given an address and told to go collect said taxes from a reluctant payee.

He shows up and it is Chuck Norris' house, they shake hands and Chuck goes back to the office and kills them all.

Oh, he may be aged, but he is still fearsome.

Once the heavy bag in the workout room trembled at the approach of Chuck Norris. Today, it is the colostomy bag in the downstairs bathroom that trembles at the approach of Chuck Norris; point is, he still scares 'em.
