drewHi,

- 1) I have a mackie mixermixer
- 2) Yamaha MU-50 synth module
- 3) Akai SG-01 vintage module
- 4) Akai S700 with expansion board and memory and 90 Quickdisks.
- 5) Behringer 8 channel denoiser
- 6) DSPFX effects dsp card ISA with great reverb and pitchsifting among great flanging chorus etc... WITH the digital option card. Runs not on XP.
