Subject: Latency Checker Posted by Ed on Thu, 07 Feb 2008 20:15:03 GMT View Forum Message <> Reply to Message

Hey folks... anyone familiar with this program?

http://www.thesycon.de/deu/latency_check.shtml

I recently purchased the Alesis io14 (firewire) that I am gonna try. I need a cheap something, but with at least 4 inputs. I tried to research, but so few reviews... But the firmware/driver updates recommend this proggie... Anyone?
