A man owned a recording studio in Texas. The Texas Wage & Hour Dept. claimed he was not paying proper wages to his help. They sent an agent out to interview & investigate the accusations.

Upon arrival at the studio the agents demanded, "We need a list of your employees and how much you pay them,"

The studio owner replied, "There's my main engineer who's been with me for 3 years. I pay him \$800 a week plus benefits."

The studio manager has been here for 18 months, "I pay her \$500 per week plus benefits".

Then there's the half-wit who works here about 18 hours every day and does about 90% of all the work around here. He makes \$10 per week, and I buy him a bottle of bourbon every Saturday night."

"That's the guy I want to talk to - the half-wit," says the agent.
