Copied from DUC:

"Celemony has created an RTAS, AU and VST plug-in version of their Melodyne
product. If you're an existing customer, you can purchase it for $199 ..
if you're a Melodyne Studio owner, you can acquire it at no cost. You can
demo it for 3 days .. and you can iLok license it for $29."
 New users price $299.

owners. :-)

Highly recommended.
