I used to frequent these boards back when Chuck still had it. Unfortunately, I have since moved on from PARIS. However, I still have 3 EDS cards, a 442, (2) MEC's an ADAT Module and (2) each of the 24 bit i/o. I am looking to sell them all. If any of you are interested, please e mail me here wayneatavericomdotcom Sorry about the phonetics. Anyway, would be cool to off load this equipment to you folks still using Paris. Thanks.
