Too bad the Peluso's I've tried have sucked... YMMV. But yeah, some folks are making great mics these days.

It was strange, Friday I took delivery on a vintage U87, my first Neumann!
can't wait to test it out.
Then I hear this story on Sunday, I also have A 2247 and have talked to Peluso
a bunch of times.. It was weird hearing him..I must say the recording of
the MTC at the end of the piece did not do much for me.
