We threw out some fried chicken earlier today into a big dumpster that sits between our house and the property next door. A little while ago, the dogs started going absolutely bananas. I looked outside and there was this huge black bear digging through the dumpster.....and I mean huge. One of the biggest I've ever seen. Unfortunately, he's pretty bold and would not spook when we yelled at him to try to scare him off. That's bad news for bears around here. I have noticed a few of the local trashcans overturned in the mornings. Once the neighborhood starts complaining, the animal control dept will trap him and relocate him and if he returns, they will kill him. I'm going to get a bear proof trashcan for the organic stuff we throw out. I'd hate to see this guy get popped. He's magnificent, but easily a top of the food chain predator.
