I think that could be possible.. That is how the big towers collapsed.

Regarding WTC7, I dont really see anything that would be generating heat.

No glow.. no smoke, etc. Heres another vid.

Kinda like the PM article is only 15% full of shit.

Then again I guess one mans shit is another mans perspective.>one mans shit is another mans perspective.

Now that is a classic. If that is original, you should tag it to your online signature. It would also make a great website.
