Dude! I think you need to pull you head out of the liberal propaganda bucket, they actually have you thinking communism is Ok! Your so blinded by Bush hate you can't see!

By the way, You get a petition to impeach Bush, and I'll be the first to sign it. The funny thing is it would be for just the opposite reasons you would sign it.

James.. If we are real about, no country is a 100 percent anything. We (US) aren't 100 percent Capitalist. We have social programs that are needed. Just like communist countries have traces of Capitalism because it's needed.

Anti-Americanism brews in Mexico?

May 30: Is the booing of Miss USA at the Miss Universe pageant a sign that anti-Americanism is brewing in Mexico?

Basically, she fell and it was news, and they booed her onstage mightily at another juncture for being from the USA. I thought it was pretty lousy of 'em, but I know mexicans that are sick of mexicans so I'm thinking the latter were making up the crowd that night. Personally, I'm getting pretty fed up with crap like that and the upside down American Flag under a mexican flag incident (at a high school no less).
