It is a black face bundle III.Hi all,

Here is a used bundle III black faced for sale. Includes:

1 MEC

1 C-16 Controller

1 EDS card

I just bought this thinking I'd need it as a backup, but I don't. I'll make pictures available upon request. All in good condition. Asking \$599 + shipping.

Please email asap me with questions. Otherwise it'll go on ebay on Monday.

Thanks, Luiz.Hi,

Interested in an EDS card and connecting cable. Possibly also a 442 / IF2

/ MEC. Please e-mail me at daniel_burne@NOSPAMyahoo.com (without the no spam).
