I've got a blackface ADAT module sittin here for \$175.00. I haven't seen one sell for less than this.....EVER. You need this. I know who you are so you now have a choice to make.....either you buy this and I leave you alone or you keep jackin' around trying to make up your mind and I'm gonna' get drunk, come over to your house and crash on your couch.

You've been warned dammit!!!
