Subject: OT-Gov't Mule Posted by Gantt Kushner on Tue, 05 Jun 2007 00:58:08 GMT View Forum Message <> Reply to Message

I've always been intrigued by what I've read about Gov't Mule (and I once played in a C&W show band out of Nashville w/ Allan Woody) but I've never heard any of their stuff. Does anyone here listen to them? Any suggestions for a Gov't Mule smapler?

Thanks!
