For those of you who will be voting for the 49th annual Grammys, please give a listen to, and consider Guy Clark's "Workbench Songs" for Best Contemporary Folk/Americana Album (Catagory 68 in Field 14 - Folk). Edited and mixed entirely in PARIS.

THANK YOU,  
Chris

I have to say that is the best Guy Clark CD I've ever heard. I'm no longer a member of NARAS, but I've been telling everyone who will listen to go and buy the CD. Great work.

Best of luck to you guys. Guy Clark has been getting lots of airplay on our  
local NPR affiliate here. I've been so busy that it's been like my life's  
background music lately and I don't know if it's your new project, but I've  
been enjoying it.

Merry Christmas,

Deej
