viate  
>this problem..Yes/No?? Thanks?> as far as filing a suit goes i think the only successful suit  
brought  
> against apple was a class action one a couple of years ago.

That's probably about to change. Apple records is plenty unhappy with iTUNES  
and jobs promised not to reenter the music market (stupid, but I digress)  
years ago. I haven't kept up like I should with it, simply put it's not that  
relevant to me, but perhaps somebody here knows the current on that.
