Anyone selling or part trading a mytek 48 khz version converter ?  
As a matter of fact any very good only converter that does only 44.1/48khz  
might do.  
Regards,  
Dimitrios

Dimitrios,

What model is it?

Deej

Don't know !

Have read that there was even a 20 bit mytek so I guess something might be  
out there.

Really don't have a clew.

Regards,

Dimitrios
