I was planning on being there, but things came up. It looks like it will be Indiana for me.

It would be great to get a play by play??? NAMM reports are always welcome!

Hi,
Sure wish I could go but way to busy here at ADK. WE do have a few manufacturers using our machines at least.

Don't waste your money on Indiana its sucks big time. Wait for them to move it to Austin. Which I believe is next year. I hope anyways. The Indiana one is more like a local swap meet.

Summer NAMM has always sucked for audio, but it's only a 4.5 hour drive from Detroit. I'd love to do Austin, but it wont be cheap. I'm bummed about not being able to make NAMM this time around. Spirit Air had \$79.00 each

way from Detroit to LAX, it doesn't get cheaper than that. I could have stayed with my old roommate for free, but stuff got in the way. He is moving back to Detroit in March, they've priced him out. No where to stay for free next year, oh well.

Summer NAMM is my plan, I'll just go for a day.

Hey Pete, your only about 4.5 hours from STL, are you planning on summer NAMM?

I'll be there Saturday and Sunday, possibly parts of Friday. Should anyone
care about that :) I'll be easiest to track down at the East West booth.
