Kurt,

What equipment do you still have. I'm looking for at least an 8OUT & 8IN. You can email me at [djslab137@yahoo.com](mailto:djslab137@yahoo.com).

I had to relocate across from Idaho to Wisconsin so I have been off line for a while. I apologize for not responding as I got so involved with packing and moving I neglected the forum post. Anyways I am settled and back on line. Some of the items I had donated to a church and I am rethinking the rest of my gear right now. I apologize for not getting back sooner. I will repost once I reconfigure my system at a later date.  
Thanks
