it's a Willie Nelson thing. I don't know who the guitarist is - maybe his son, Lukas.

There are just two short guitar breaks, but they're worth waiting for.

Hey Steve,
That older swing style always makes me smile when done authentically.
Very reminiscent of the Les Paul show I just saw.
The guitarist is a far better soloist than the other two cats
that's for sure. Can you say arpeggio?
T.

I gotta say, I kinda didn't like those guitar parts because of the timing - some of the phases sounded "off" - not pushed, or laid-back a bit, just enough off-timing to annoy me, i guess.
