Is made it to you. I

am interested in your blue C16 if you can find it and would like to know what shape it is in and what you want for it.

I just built a comp and didnt pay attention to the case size.
I had to remove part of the case structure to (HD bay) to allow
the eds cards to fit.
I want to add more eds cards but i dont have the room in the case.

thanks.

I can't afford an Apogee, but I'd love to talk acoustic guitar amps and pickups with you. I just installed the K & K system w/ mic and piezo in my Martin...

I'll give you a call sometime when the studio and my kids are quiet!
