per gallon) and owned a business, you would have received aprox. \$30,000 in tax reduction from the IRS. (Public outcry has recently forced the closure of this tax loophole.)

Gene

on our current energy model. Any time our oil sources are negatively effected we go into an instant recession. This essentially enslaves us to the large

, drew up a plan to overturn past environmental practices and prohibit any mention of evolution while allowing sale of religious materials through the Park Service.

On the day the levees burst in New Orleans, Bush delivered a speech in Colorado comparing the Iraq war to World War II and himself to Franklin D. Roosevelt: "And he knew that the best way to bring peace and stability to the region was by bringing freedom to Japan." Bush had boarded his very own "Streetcar Named Desire." And this is news? They've been predicting this for 40 years? I saw the Army Corp of Engineers General on Fox last ni
